Ron,
I sure say that it
been a long year same
I've only been here for half
of a year. Good luck and
have fun this summer.

Your friend

Long White

Ron,
Been a
long year, huh?
Well I don't know
you very well, but
good luck!
your friend,

Don't you worry about
the money or other for
now. Just work. Don't let
it get in your way. Don't let
the work make you. Don't let
it.

ASB President Frank Mirallegro

"This year has been a great one. The student leaders worked their hardest to try and get things done for the benefit of the students. The students have backed the leaders, showing unity in the student body. I can truly say, without a doubt, that this year has been one of the greatest experiences."

Good Taste In Dress Week

Don't let 'em bag! ! Tuck those ragged ruffles under your skirts! The week of October 30 through November 3 Girls' League sponsored *Good Taste in Dress Week* with noon rallies and an all girl assembly with a boy's panel. Girls modeled the "boss" fashions for the day and the "feminine" look for the evening.

Folk Concert

Oh no! Billy Joe McAllister jumped off the Tallahatchee Bridge!

Ode to Billy Joe was one of many performances at the first annual Folk Concert held October 24, under the direction of Mrs. Regina Jensen.

Entertaining the audience were the Madrigals, Concert Choir, Girls' Chorus II and many featured soloists. For the first time in Coyote history the beauty of this concert was captured on a record for future listening enjoyment.

Annual Week

Are you guilty . . . did you buy your 1968 Yearbook during annual week?

Posters, beating drums, pep chants, tear-jerking melodramas, and walking annuals advertised the sale!

Visitors

Summertime, a time of new happenings, exciting times and different acquaintances. Terry Wilson, Debbie Wheeler and Jan Stevens found that Europe could host many new customs. Debbie, in the "People to People" program, traveled to many European countries. Jan enjoyed the tradition of "wooden shoes" in Holland. Terry weekendend a trip to Russia, while staying in Finland.

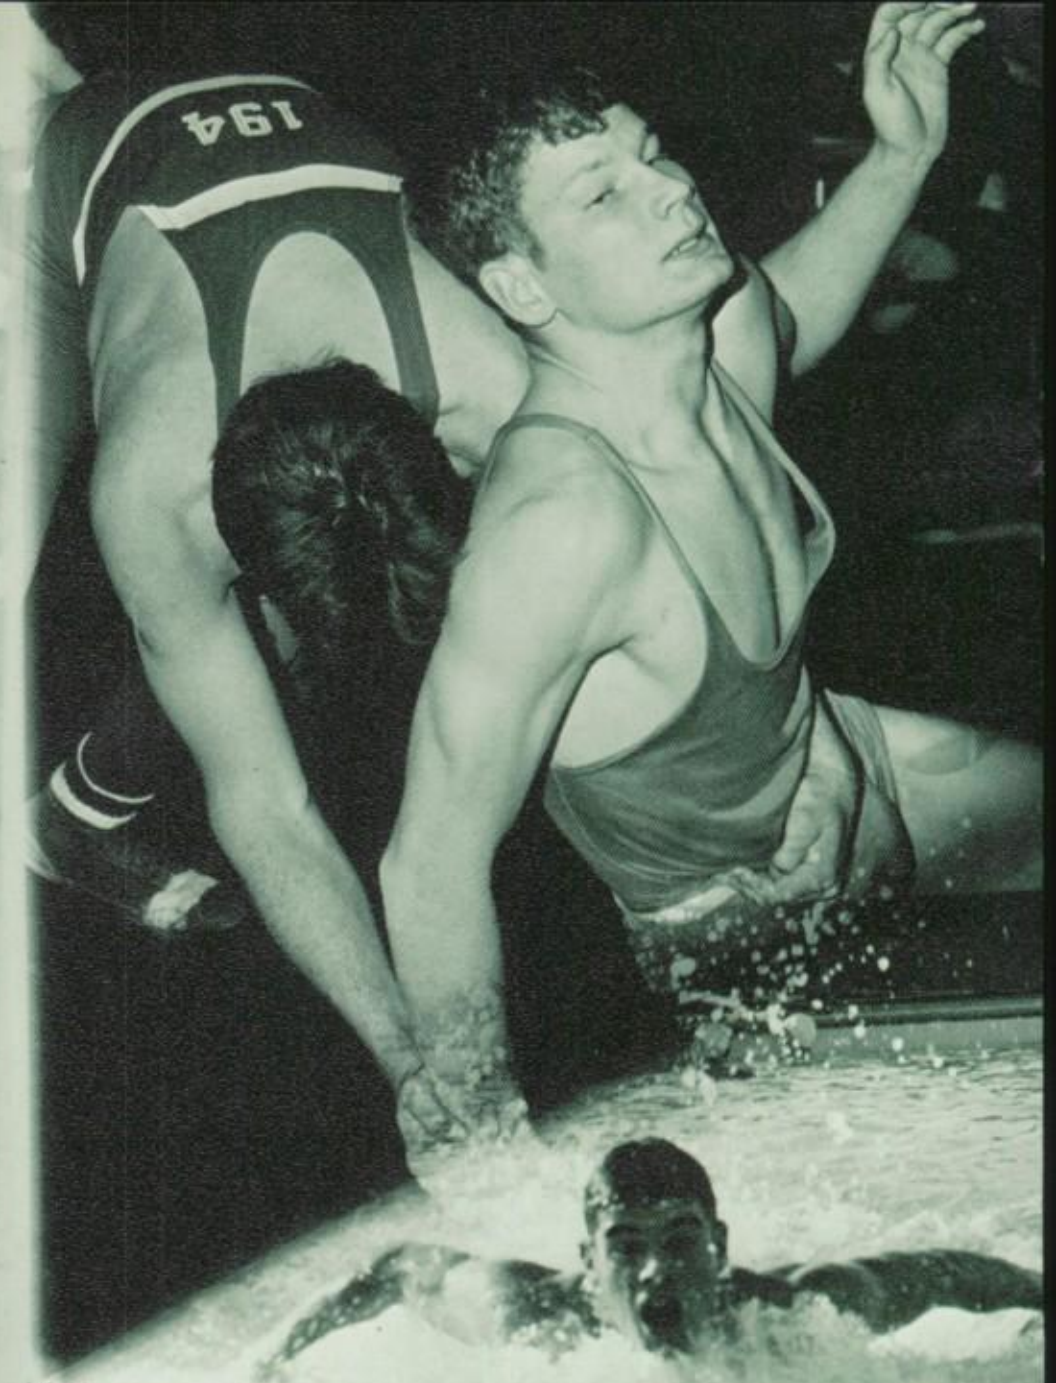

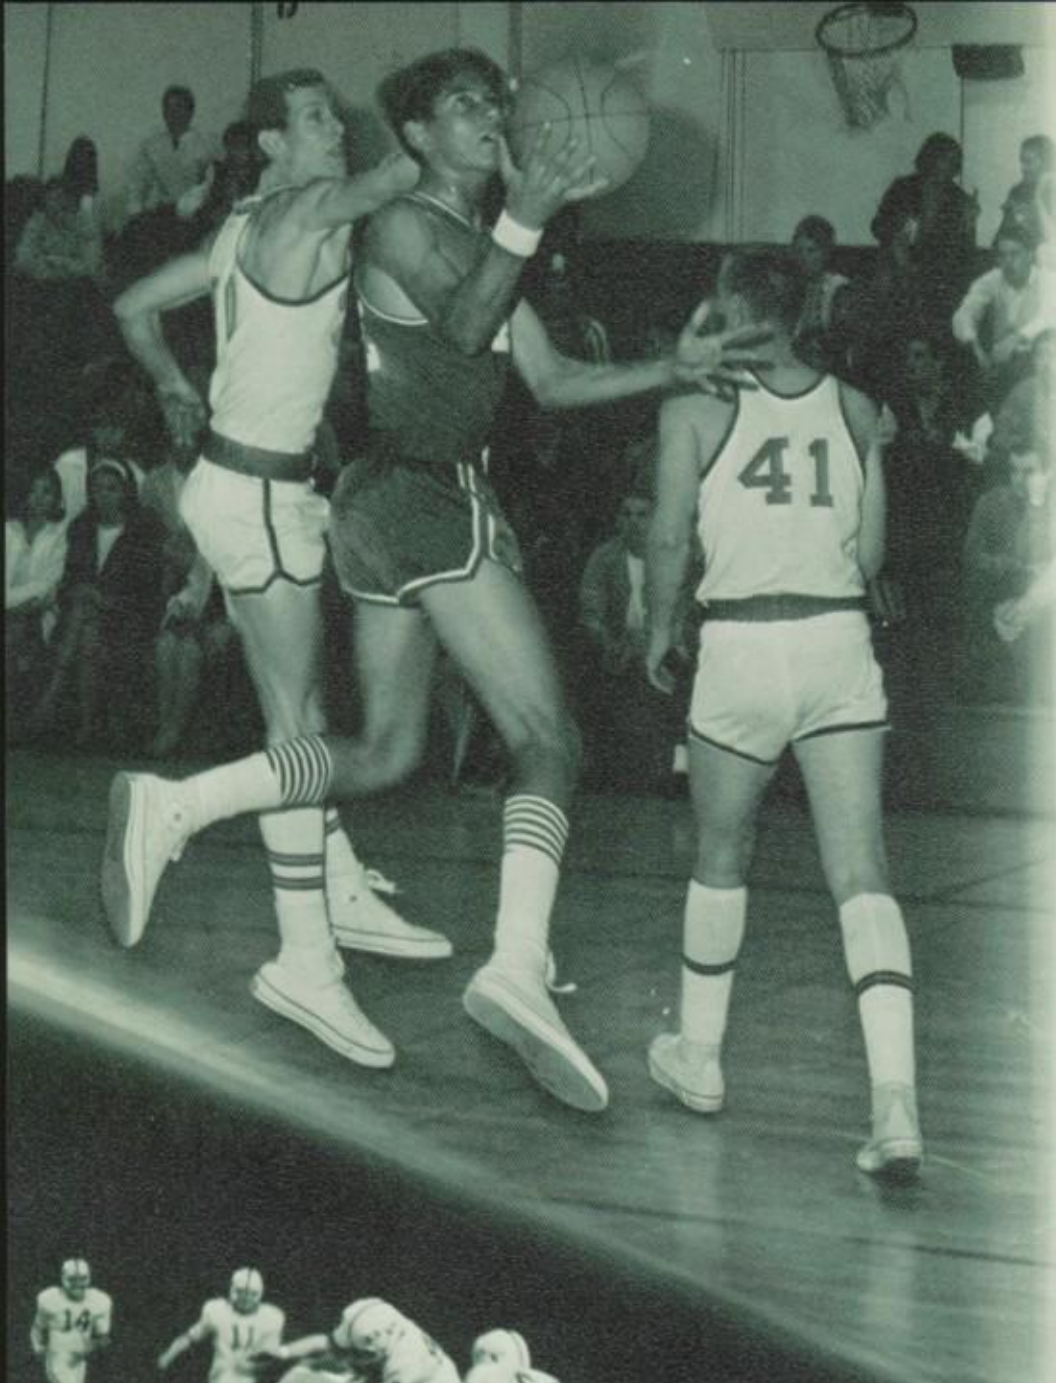

Across The Seas

The hottest import from Germany since the Volkswagen is red-headed, brown-eyed Marion Schmidt. Marion enthusiastically spoke of the classes and kids and thought that the freedom we have is really great. She will be leaving in July, but would like to come back.

When in Rome, do as the Romans do . . . When in California, live! ! Vito Martorana, a green-eyed Italian, is one of our foreign students. "I'm very happy to stay here. If I can, I will stay here always," Vito commented in his accented English, "B.P. reminds me of my family because all the students are very kind and friendly."

Varsity football provided, as usual, for a host of harrowing as well as tedious moments. Players such as Gary Deluca, who broke the overall rushing record in the game against Savanna, and Ernest Stucki, who displayed a fantastic line record, gave spirit a reason for existing. New faces such as Sophomore letterman Randy Arner will certainly give the teams of the future a real nucleus.

Track

It was late in the day in more ways than one. Buena Park was holding on to a slim lead against a rallying Kennedy team with one event left, the mile relay. The Irish took a slim lead in the first quarter mile which broadened with each consecutive lap. By the end of the third lap Kennedy was holding on nicely to a 30-yard lead . . . and then Maesele. Rene Maesele, who had won two previous events, went out to win another. With an effort which could only be described by Coach Coburn's fanatically joyful shouts, "Maesele's got guts! He's got guts!" Rene Maesele streaked around the oval to overtake and better his competitors with an important victory and a time of 50.8 seconds.

SENIOR WHEELS

A large group of students, likely a senior class, are posing for a group photograph outdoors. They are arranged in many rows on a grassy area, with a large, leafy tree in the background. A large, colorful sign in the center of the group reads "SENIOR 68" and "FULE". Some students are holding pom-poms. The students are dressed in casual attire typical of the late 1960s. The overall atmosphere is festive and celebratory.

Good
luck in
Summer School,
Bob

Don't go to the
book store and
buy a book. I
have a lot of
books in my
house. I have
seen you in
the past. I
was in a
Spanish class
last year. I
had a good
time. I had
a lot of fun.

Don,
It's been fun in
Calif. history this year,
or this semester. I
hope your year has
been as fun as mine.
Enjoy yourself this
summer, ok?
Love, Nanay
